For over 31 years, it is our commitment to provide the highest quality jewelry and exceptional customer service.

We are highly experienced with all kinds of jewelry including contemporary re-sizing, antique restoration, hand engraving, standard and high end watch repairs, we have the ability to create costume jewelry, working with platinum, gold, silver and color precious stones to satisfy what's in your imagination. We offer verbal and insurance appraisals. Located at 265 Amsterdam Ave - 72nd St. on the Upper Westside of New York City. We are your neighborhood jeweler and source for all your jewelry needs.

About Us

At the age of 14, Mr. Maurice Paredes found a passion for the art of jewelry as well as the jewelry industry. Continuing his interest, he began studying the art of jewelry making and the business. In 1981, Mr. Paredes officially established Goldmine jewelers. Maurice and his team of artisan, designers and jewelry experts are extremely professional and dedicated to present lovely masterpieces to our dear customers.

Our goal is to strive for customer satisfaction in every task presented to us for every piece of jewelry whether it is a single diamond studded earring or a beautiful treasured engagement ring. Goldmine jewelers are your number one source for exquisite adornments. You may also have the option to pick up your repairs the next day. (Pending on the repair itself).

We at Goldmine have the ability to search and obtain rare stones. At the 72nd Location, we have three counters at 50% off all year round, giving the chance to our customers to purchase beautiful pieces at the most reasonable prices.
